Chapter II – The Central Council and its Committees

Section 3. Constitution of Central Council

(1) The Central Government shall, by notification in the Official Gazette constitute for the purposes of this Act a Central Council consisting of the following members, namely:-

(a) such number of members not exceeding five as may be determined by the Central Government in accordance with the provisions of the First Schedule for each of the Ayurveda, Siddha and Unani systems of medicine from each State in which a State Register of Indian Medicine is maintained, to be elected from amongst themselves by persons enrolled on that Register as practitioners of Ayurveda, Siddha or Unani, as the case may be;

(b) one member for each of the Ayurveda, Siddha and Unani systems of medicine from each University to be elected from amongst themselves by the members of the Faculty or Department (by whatever name called) of the respective system of medicine of that University;

(c) such number of members, not exceeding thirty per cent of the total number of members elected under clauses (a) and (b), as may be nominated by the Central Government, from amongst persons having special knowledge or practical experience in respect of Indian medicine:

Provided that until members are elected under clause (a) or clause (b) in accordance with the provisions of this Act and the rules made thereunder, the Central Government shall nominate such number of members, being persons qualified to be chosen as such under the said clause (a) or clause (b), as the case may be, as that Government thinks fit; and references to elected members in this Act shall be construed as including references to members so nominated.

(2) The President of the Central Council shall be elected by the members of the Central Council from amongst themselves in such manner as may be prescribed.

(3) There shall be a Vice-President for each of the Ayurveda, Siddha and Unani systems of medicine who shall be elected from amongst themselves by members representing that system of medicine, elected under clause (a) or clause (b) of sub-section (1) or nominated under clause (c) of that sub-section.

Section 4. Mode of Election

(1) An election under clause (a) or clause (b) of sub-section (1) of section 3 shall be conducted by the Central Government in accordance with such rules as may be made by it in this behalf.

(2) Where any dispute arises regarding any election to the Central Council, it shall be referred to the Central Government whose decision shall be final.

Section 5. Restriction on Elections and Membership

(1) No person shall be eligible for election to the Central Council unless he possesses any of the medical qualifications included in the Second, Third or Fourth Schedule, is enrolled on any State Register of Indian medicine and resides in the State concerned.

(2) No person may at the same time serve as a member in more than one capacity.

Section 6. Incorporation of Central Council

The Central Council shall be a body corporate by the name of Central Council of Indian Medicine having perpetual succession and a common seal, with power to acquire, hold and dispose of property, both movable, and immovable and to contract, and shall by the said name sue and be sued.

Section 7. Term of office of President, Vice-President and members of Central Council

(1) The President, a Vice-President or a member of the Central Council shall hold office for a term of five years from the date of his election or nomination, as the case may be, or until his successor shall have been duly elected or nominated, whichever is longer.

(2) An elected or nominated member shall be deemed to have vacated his seat if he is absent without excuse, sufficient in the opinion of the Central Council, from three consecutive ordinary meetings of the Central Council or, in the case of a member elected under clause (a) of sub-section (1) of Section 3, if he ceases to be enrolled on the concerned State Register of Indian Medicine, or in the case of a member elected under clause (b) of that sub-section, if he ceases to be a member of the faculty or Department (by whatever name called) of Indian Medicine of the University concerned.

(3) A casual vacancy in the Central Council shall be filled by election or nomination, as the case may be, and the person elected or nominated to fill the vacancy shall hold office only for the remainder of the term for which the member whose place he takes was elected or nominated.

(4) Members of the Central Council shall be eligible for re-election or re-nomination.

(5) Where the said term of five years is about to expire in respect of any member, a successor may be elected or nominated at any time within three months before the said term expires but he shall not assume office until the said term has expired.

Section 8. Meetings of Central Council

(1) The Central Council shall meet at least once in each year at such time and place as may be appointed by the Central Council.

(2) Unless otherwise prescribed, one-third of the total number of members of the Central Council shall form a quorum and all the acts of the Central Council shall be decided by a majority of the members present and voting:-

Provided that no decision of the Central Council in relation to any Indian medicine, shall be effective unless three members representing Ayurveda, Siddha or Unani system of medicine, as the case may be, are present at the meeting and support the decision.

Section 9. Committees for Ayurveda, Siddha and Unani

(1) The Central Council shall constitute from amongst its members, –

a) a committee for Ayurveda

b) a committee for Siddha and

c) a committee for Unani,

and each such committee shall consist of members elected under clause (a) or clause (b) or nominated under clause (c) of sub-section (1) of section 3 representing the Ayurveda, Siddha or Unani system of medicine, as the case may be.

(2) The Vice-President for each of the Ayurveda, Siddha and Unani systems of medicine elected under sub-section (3) of section 3 shall be, respectively, the Chairman of the committees referred to in clauses (a), (b) and (c) of sub-section (1).

(3) Subject to such general or special directions as the Central Council may from time to time give, each such committee shall be competent to deal with any matter relating to Ayurveda, Siddha or Unani system of medicine, as the case may be, within the competence of the Central Council.

Section 10. Other Committees

The Central Council may constitute from amongst its members such other committees for general or special purposes, as the Central Council deems necessary to carry out the purposes of this Act.

Section 11. Meetings of Committees

(1) The committees constituted under section 9 and 10 shall meet at least once in each year at such time and place as may be appointed by the Central Council.

(2) Unless otherwise prescribed, one-third of the total number of members of a committee shall form a quorum, and all the acts of the committee shall be decided by a majority of the members present and voting.

Section 12. Officers and other employees of Central Council

The Central Council shall –

(a) appoint a Registrar who shall act as Secretary and who may also, if deemed expedient, act as Treasurer;

(b) employ such other persons as it deems necessary to carry out the purposes of this Act;

(c) require and take from the Registrar, or from any other employee, such security for the due performance of his duties as the Central Council deems necessary; and

(d) with the previous sanction of the Central Government, fix the remuneration and allowances to be paid to the President, Vice-President and members of the Central Council and to the Members of the committees thereof and determine the conditions of service of the employees of the Central Council.

Section 13. Vacancies in the Central Council and committees thereof not to invalidate acts, etc.

No act or proceeding of the Central Council or any committee thereof shall be called in question on the ground merely of the existence of any vacancy in, or any defect in the constitution of, the Central Council or the committee, as the case may be.

Chapter II A – Permission for New Medical College, Course, etc

Section 13 A. Notwithstanding anything contained in this Act or any other law for the time being in force

(a) no person shall establish a medical college; or

(b) no medical college shall-

(i) open a new or higher course of study or training, including a post-graduate course of study or training, which would enable students of such course or training to qualify himself for the award of any recognised medical qualification; or

(ii) increase its admission capacity in any course of study or training including a post-graduate course of study or training. except with the previous permission of the Central Government obtained in accordance with the provisions of this section.

Explanation 1. – For the purposes of this section, “person” includes any University or a trust, but does not include the Central Government.

Explanation 2. – For the purposes of this section, “admission capacity”, in relation to any course of study or training, including post-graduate course of study or training, in a medical college, means the maximum number of students as may be fixed by the Central Government from time to time for being admitted to such course or training.

(2) Every person or medical college shall, for the purpose of obtaining permission under sub-section (1), submit to the Central Government a scheme in accordance with the provisions of sub-section (3) and the Central Government shall refer the scheme to the Central Council for its recommendations.

(3) The scheme referred to in sub-section (2), shall be in such form and contain such particulars and be preferred in such manner and accompanied with such fees, as may be prescribed.

(4) On receipt of a scheme from the Central Government under sub-section (2), the Central Council may obtain such other particulars as may be considered necessary by it from the person or medical college concerned, and thereafter, it may-

(a) if the scheme is defective and does not contain necessary particulars, give a reasonable opportunity to the person or medical college concerned for making a written representation and it shall be open to such person or medical college to rectify the defects, if any, specified by the Central Council;

(b) consider the scheme, having regard to the factors referred to in sub-section (8) and submit it to the Central Government together with its recommendations thereon within a period not exceeding six months from the date of receipt of the reference from the Central Government.

(5) The Central Government may, after considering the scheme and recommendation of the Central Council under sub-section (4) and after obtaining, where necessary, such other particulars as may be considered necessary by it from the person or college concerned and having regard to the factors referred to in sub-section (8), either approve the scheme with such conditions, if any, as it may consider necessary or disapprove the scheme and any such approval shall constitute as a permission under sub-section (1) :

Provided that no scheme shall be disapproved by the Central Government except after giving the person or medical college concerned a reasonable opportunity of being heard:

Provided further that nothing in this sub-section shall prevent any person or medical college whose scheme has not been approved by the Central Government to submit a fresh scheme and the provision of this section shall apply to such scheme, as if such scheme had been submitted for the first time under sub-section (2).

(6) Where, within a period of one year from the date of submission of the scheme to the Central Government under sub-section (2), no order is communicated by the Central Government to the person or medical college submitting the scheme, such scheme shall be deemed to have been approved by the Central Government in the form in which it was submitted, and, accordingly, the permission of the Central Government required under sub-section (1) shall also be deemed to have been granted.

(7) In computing the time-limit specified in sub-section (6), the time taken by the person or medical college concerned submitting the scheme, in furnishing any particulars called for by the Central Council, or by the Central Government shall be excluded.

(8) The Central Council while making its recommendations under clause (b) of sub-section (4) and the Central Government while passing an order, either approving or disapproving the scheme under sub-section (5), shall have due regard to the following factors, namely:-

(a) whether the proposed medical college or the existing medical college seeking to open a new or higher course of study or training, would be in a position to offer the minimum standards of medical education as prescribed by the Central Council under section 22;

(b) whether the person seeking to establish a medical college or the existing medical college seeking to Open a new or higher course of study or training or to increase its admission capacity has adequate financial resources;

(c) whether necessary facilities in respect of staff, equipment, accommodation, training, hospital or other facilities to ensure proper functioning of the medical college or conducting the new course of study or training or accommodating the increased admission capacity have been provided or would be provided within the time-limit specified in the scheme;

(d) whether adequate hospital facilities, having regard to the number of students likely to attend such medical college or course of study or training or the increased admission capacity have been provided or would be provided within the time-limit specified in the scheme;

(e) whether any arrangement has been made or programme drawn to impart proper training to students likely to attend such medical college or the course of study or training by persons having recognised medical qualifications;

(f) the requirement of manpower in the field of practice of Indian medicine in the college;

(g) any other factors as may be prescribed.

(9) Where the Central Government passes an order either approving or disapproving a scheme under this section, a copy of the order shall be communicated to the person or medical college concerned.

Non-recognition of medical qualification in certain cases. 13B. (1) Where any medical college is established without the previous permission of the Central Government in accordance with the

provisions of section 13 A, medical qualification granted to any student of such medical college shall not be deemed to be a recognised medical qualification for the purposes of this Act.

(2) Where any medical college opens a new or higher course of study or training including a post-graduate course of study or training without the previous permission of the Central Government in accordance with the provisions of section 13A, medical qualification granted to any student of such medical college on the basis of such study or training shall not be deemed to be a recognised medical qualification for the purposes of this Act.

(3) Where any medical college increases its admission capacity in any course of study or training without the previous permission of the Central Government in accordance with the provisions of section 13A, medical qualification granted to any student of such medical college on the basis of the increase in its admission capacity shall not be deemed to be a recognised medical qualification for the purposes of this Act.’

Time for seeking permission for certain existing medical colleges.

13C.(1) If person has established a medical college or any medical college has opened a new or higher course of study or training or increased the admission capacity on or before the commencement of the Indian Medicine Central Council (Amendment) Ordinance, 2003, such person or medical college, as the case may be, shall seek, within a period of three years from the said commencement, permission of the Central Government in accordance with the provisions of section 13A.

(2) If any person or medical college, as the case may be, fails to seek permission under sub-section (1), the provisions of section 13B shall apply, so far as as may be, as if, permission of the Central Government under section 13A has been refused’.

Chapter III – Recognition of Medical Qualifications

Section 14. Recognition of medical qualifications granted by certain medical institutions in India

(1) The medical qualifications granted by any University, Board or other medical institutions in India which are included in the Second Schedule shall be recognised medical qualifications for the purposes of this Act.

(2) Any University, Board or other medical institution in India which grants a medical qualification not included in the Second Schedule may apply to the Central Government to have any such qualification recognised, and the Central Government, after consulting the Central Council, may, by notification in the Official Gazette, amend the Second Schedule so as to include such qualification therein, and any such notification may also direct that an entry shall be made in the last column of the Second Schedule against such medical qualification declaring that it shall be recognised medical qualification only when granted after a specified date.

Section 15. Recognition of medical qualifications granted by certain medical institutions whose qualifications are not included in Second Schedule

The medical qualifications included in the Third Schedule granted to a citizen of India before the 15th day of August, 1947, by any medical institution in any area which was comprised before

that date within India as defined in the Government of India Act, 1935, shall also be recognised medical qualifications for the purposes of this Act.

Section 16. Recognition of medical qualifications granted by medical institutions in countries with which there is a scheme of reciprocity

(1) The medical qualifications granted by medical institutions outside India which are included in the Fourth Schedule shall be recognised medical qualifications for the purposes of this Act.

(2) The Central Council may enter into negotiations with the authority in any State or country outside India, which, by law of such State or country is entrusted with the maintenance of a Register of practitioners of Indian medicine, for the settling of a scheme of reciprocity for the recognition of medical qualifications in Indian medicine, and in pursuance of any such scheme, the Central Government may, by notification in the Official Gazette, amend the Fourth Schedule so as to include therein any medical qualification which the Central Council has decided should be recognised, and any such notification may also direct that an entry shall be made in the last column of the Fourth Schedule against such medical qualification declaring that it shall be recognised medical qualification only when granted after a specified date.

Section 17. Rights of persons possessing qualifications included in Second, Third and Fourth Schedules to be enrolled

(1) Subject to the other provisions contained in this Act, any medical qualification included in the Second, Third or Fourth Schedule shall be sufficient qualification for enrolment on any State Register of Indian Medicine.

(2) Save as provided in section 28, no person other than a practitioner of Indian medicine who possesses a recognised medical qualification and is enrolled on a State Register or the Central Register of Indian Medicine, –

(a) shall hold office as Vaid, Siddha, Hakim or physician or any other office (by whatever designation called) in Government or in any institution maintained by a local or other authority;

(d) shall be entitled to give evidence at any inquest or in any court of law as an expert under section 45 of the Indian Evidence Act, 1872 (1 of 1872) on any matter relating to Indian medicine.

(3) Nothing contained in sub-section (2) shall affect, –

(a) the right of a practitioner of Indian Medicine enrolled on a State Register of Indian Medicine to practise Indian medicine in any State merely on the ground that, on the commencement of this Act, he does not possess a recognised medical qualification;

(b) the privileges (including the right to practise any system of medicine) conferred by or under any law relating to registration of practitioners of Indian medicine for the time being in force in

any State on a practitioner of Indian Medicine enrolled on a State Register of Indian medicine;

(c) the right of a person to practise Indian medicine in a State in which, on the commencement of this Act, a State Register of Indian Medicine is not maintained if, on such commencement, he has been practising Indian medicine for not less than five years;

(d) the rights conferred by or under the Indian Medical Council Act, 1956 (102 of 1956) [including the right to practise medicine as defined in clause (f) of section 2 of the said Act], on persons possessing any qualifications included in the Schedules to the said Act.

(4) Any person who acts in contravention of any provision of sub-section (2) shall be punished with imprisonment for a term which may extend to one year, or with fine which may extend to one thousand rupees, or with both.

Section 18. Power to require information as to courses of study and examination

Every University, Board or medical institution in India which grants a recognised medical qualification shall furnish such information as the Central Council may, from time to time, require as to the courses of study and examinations to be undergone in order to obtain such qualification, as to the ages at which such courses of study and examinations are required to be undergone and such qualification is conferred and generally as to the requisites for obtaining such qualification.

Section 19. Inspectors at examinations

(1) The Central Council shall appoint such number of medical inspectors as it may deem requisite to inspect any medical college, hospital or other institution where education in Indian medicine is given, or to attend any examination held by any University, Board or medical institution for the purpose of recommending to the Central Government recognition of medical qualifications granted by that University, Board or medical institution.

(2) The medical inspectors shall not interfere with the conduct of any training or examination, but shall report to the Central Council on the adequacy of the standards of education including staff, equipment, accommodation, training and other facilities prescribed for giving education in Indian medicine or on the sufficiency of every examination which they attend.

(3) The Central Council shall forward a copy of any such report to the University, Board or medical institution concerned, and shall also forward a copy with the remarks of the University, Board or medical institution thereon, to the Central Government.

Section 20. Visitors at examinations

(1) The Central Council may appoint such number of visitors as it may deem requisite to inspect any medical college, hospital or other institution where education in Indian medicine is given or to attend any examination for the purpose of granting recognised medical qualifications.

(2) Any person, whether he is a member of the Central Council or not, may be appointed as a visitor under this section but a person who is appointed as an inspector under Section 19 for any inspection or examination shall not be appointed as a visitor for the same inspection or examination.

(3) The visitors shall not interfere with the conduct of any training or examination, but shall report to the President of the Central Council on the adequacy of the standards of education

including staff, equipment, accommodation, training and other facilities prescribed for giving education in Indian medicine or on the sufficiency of every examination which they attend.

(4) The report of a visitor shall be treated as confidential unless in any particular case the President of the Central Council otherwise directs:

Provided that if the Central Government requires a copy of the report of a visitor, the Central Council shall furnish the same.

Section 21. Withdrawal of recognition

(1) When upon report by the inspector or the visitor, it appears to the Central Council

(a) that the courses of study and examination to be undergone in, or the proficiency required from candidates at any examination held by, any University, Board or medical institution, or

(b) that the staff, equipment, accommodation, training and other facilities for instruction and training provided in such University, Board or medical institution or in any college or other institution affiliated to the University.

do not conform to the standard prescribed by the Central Council the Central Council shall make a representation to that effect to the Central Government.

(2) After considering such representation, the Central Government may send it to the Government of the State in which the University, Board or medical institution is situated and the State Government shall forward it along with such remarks as it may choose to make to the University, Board or medical institution, with an intimation of the period within which the University, Board or medical institution may submit its explanation to the State Government.

(3) On the receipt of the explanation or, where no explanation is submitted within the period fixed, then, on the expiry of that period, the State Government shall make its recommendations to the Central Government.

(4) The Central Government, after making such further inquiry, if any, as it may think fit, may, by notification in the Official Gazette, direct that an entry shall be made in the appropriate Schedule against the said medical qualification declaring that it shall be a recognised medical qualification only when granted before a specified date, or that the said medical qualification if granted to students of a specified college or institution affiliated to any University shall be recognised medical qualification only when granted before a specified date or, as the case may be, that the said medical qualification shall be recognised medical qualification in relation to a specified college or institution affiliated to any University only when granted after a specified date.

Section 22. Minimum standards of education in Indian medicine

(1) The Central Council may prescribe the minimum standards of education in Indian medicine, required for granting recognised medical qualifications by Universities, Boards or medical institutions in India.

(2) Copies of the draft regulations and of all subsequent amendments thereof shall be furnished by the Central Council to all State Governments and the Central Council shall, before submitting the regulations or any amendment thereof, as the case may be, to the Central Government for sanction, take into consideration the comments of any State Government received within three months from the furnishing of the copies as aforesaid.

(3) Each of the committees referred to in clauses (a), (b) and (c) of sub-section (1) of Section 9 shall, from time to time, report to the Central Council on the efficacy of the regulations and may recommend to the Central Council such amendments thereof as it may think fit.

Chapter IV – The Central Register of Indian Medicine

Section 23. The Central Register of Indian Medicine

(1) The Central Council shall cause to be maintained in the prescribed manner, a register of practitioners in separate part for each of the system of Indian medicine to be known as the Central Register of Indian Medicine which shall contain the names of all persons who are for the time being enrolled on any State Register of Indian Medicine and who possess any of the recognised medical qualifications.

(2) It shall be the duty of the Registrar of the Central Council to keep and maintain the Central Register of Indian Medicine in accordance with the provisions of this Act and of any orders made by the Central Council, and from time to time to revise the register and publish it in the Gazette of India and in such other manner as may be prescribed.

(3) Such register shall be deemed to be a public document within the meaning of the Indian Evidence Act, 1872 (1 of 1872) and may be proved by a copy published in the gazette of India.

Section 24. Supply of copies of State Register of Indian Medicine

Each Board shall supply to the Central Council three printed copies of the State Register of Indian Medicine as soon as may be after the commencement of this Act and subsequently after the first day of April of each year, and each Board shall inform the Central Council without delay of all additions to and other amendments in the State Register of Indian Medicine made from time to time.

Section 25. Registration in the Central Register of Indian Medicine

The Registrar of the Central Council may on receipt of the report of registration of a person in a State Register of Indian Medicine or on application made in the prescribed manner by any person, enter his name in the Central Register of Indian Medicine, provided that the Registrar is satisfied that the person concerned is eligible under this Act for such registration.

Section 26. Professional conduct

(1) The Central Council may prescribe standards of professional conduct and etiquette and a code of ethics for practitioners of Indian medicine.

(2) Regulations made by the Central Council under sub-section (1) may specify which violations thereof shall constitute infamous conduct in any professional respect, that is to say, professional misconduct, and such provision shall have effect notwithstanding anything contained in any law for the time being in force.

Section 27. Removal of names from the Central Register of Indian Medicine

(1) If the name of any person enrolled on a State Register of Indian Medicine is removed therefrom in pursuance of any power conferred by or under any law relating to registration of practitioners of Indian medicine for the time being in force in any State, the Central Council shall direct the removal of the name of such person from the Central Register of Indian Medicine.

(2) Where the name of any person has been removed from a State Register of Indian Medicine on any ground other than that he is not possessed of the requisite medical qualifications or where any application by the said person for restoration of his name to the State Register of Indian Medicine has been rejected, he may appeal in the prescribed manner and subject to such conditions, including conditions as to the payment of a fee, as may be prescribed, to the Central Government whose decision, which shall be given after consulting the Central Council, shall be binding on the State Government and on the authorities concerned with the preparation of the State Register of Indian Medicine.

Section 28. Provisional registration for practice

If the course of study to be undergone for obtaining a recognised medical qualification in Indian Medicine include a period of training after a person has passed the qualifying examination and before such qualification is conferred on him, any such person shall, on application made by him in this behalf, be granted provisional registration in a State Register of Indian medicine by the Board concerned in order to enable him to practice Indian Medicine in an approved institution for the purpose of such training and for no other purpose for the period aforesaid.

Section 29. Privileges of persons who are enrolled on the Central Register of Indian Medicine

Subject to the conditions and restrictions laid down in this Act regarding practice of Indian medicine by persons possessing certain recognised medical qualifications, every person whose name is for the time being borne on the Central Register of Indian Medicine shall be entitled according to his qualification to practice Indian medicine in any part of India and to recover in due course of law in respect of such practice any expenses, charges in respect of medicaments or other appliances or any fees to which he may be entitled.

Section 30. Registration of additional qualifications

(1) If any person whose name is entered in the Central Register of Indian medicine obtains any title, diploma or other qualifications for proficiency in Indian medicine which is a recognised medical qualification, he shall, on application made in this behalf in the prescribed manner, be entitled to have an entry stating such other title, diploma or other qualification made against his name in the Central Register of Indian Medicine either in substitution for or in addition to any entry previously made.

(2) The entries in respect of any such person in a State Register of Indian medicine shall be altered in accordance with the alterations made in the Central Register of Indian Medicine.

Section 31. Persons enrolled on Central Register of Indian Medicine to notify change of place of residence and practice

Every person registered in the Central Register of Indian Medicine shall notify any transfer of the place of his residence or practice to the Central Council and to the Board concerned, within ninety days of such transfer, failing which his right to participate in the election of members to the Central Council or a Board shall be liable to be forfeited by order of the Central Government either permanently or for such period as may be specified therein.

Chapter V – Miscellaneous

Section 32. Information to be furnished by Central Council and publication thereof

(1) The Central Council shall furnish such reports, copies of its minutes, abstracts of its accounts, and other information to the Central Government as that Government may require.

(2) The Central Government may publish in such manner, as it may think fit, any report, copy, abstract or other information furnished to it under this section or under section 20.

Section 33. Commission of inquiry

(1) Whenever it is made to appear to the Central Government that the Central Council is not complying with any of the provisions of this Act, the Central Government may refer the particulars of the complaint to a commission of inquiry consisting of three persons, two of whom shall be appointed by the Central Government, one being a Judge of a High Court, and one by the Central Council, and such commission shall proceed to inquire in a summary manner and to report to the Central Government as to the truth of the matters charged in the complaint, and in case of any charge of default or of improper action being found by the commission to have been established, the commission shall recommend the remedies, if any, which are in its opinion necessary.

(2) The Central Government may require the Central Council to adopt the remedies so recommended within such time as, having regard to the report of the commission, it may think fit, and if the Central Council fails to comply with any such requirement, the Central Government may amend the regulations of the Central Council, or make such provision or order or take such other steps as may seem necessary to give effect to the recommendations of the commission.

(3) A commission of inquiry shall have power to administer oaths, to enforce the attendance of witnesses and the production of documents, and shall have all such other necessary powers for the purpose of any inquiry conducted by it as are exercised by a civil court under the Code of Civil Procedure, 1908 (5 of 1908).

Section 34. Protection of action taken in good faith

No suit, prosecution or other legal proceeding shall lie against the Government, the Central Council or a Board or any committee thereof or any officer or servant of the Government or the Central Council or the Board aforesaid for anything which is in good faith done or intended to be done under this Act.

Section 35. Power to make rules

(1) The Central Government may by notification in the Official Gazette, make rules to carry out the purposes of this Act.

(2) Every rule made under this section shall be laid, as soon as may be after it is made, before each House of Parliament while it is in session for a total period of thirty days which may be comprised in one session or 1[in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid] both Houses agree in making any modification in the rule or both Houses agree that the rule should not be made the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be; so however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

Section 36. Power to make regulations

²[(1) The Central Council, may, with the previous sanction of the Central Government, ²[by notification in the Official Gazette,] make regulations generally to carry out the purposes of this Act, and, without prejudice to the generally of this power, such regulations may provide for-
